

# Waterpark National School

## Anti-Bullying Policy

1. In accordance with the requirements of the Education (Welfare) Act 2000 and the code of behaviour guidelines issued by the NEWB, the Board of Management of Waterpark National School has **adopted the following anti-bullying policy** within the framework of the school's overall code of behaviour. This policy fully complies with the requirements of the Anti-Bullying Procedures for Primary and Post-Primary Schools which were published in September 2013.

2. The Board of Management recognises the very serious nature of bullying and the negative impact that it can have on the lives of pupils and is therefore fully committed to the following key principles of best practice in preventing and tackling bullying behaviour:

(a) A positive school culture and climate which

- is welcoming of difference and diversity and is based on inclusivity;
- encourages pupils to disclose and discuss incidents of bullying behaviour in a non-threatening environment; and
- promotes respectful relationships across the school community;

(b) Effective leadership

(c) A school-wide approach

(d) A shared understanding of what bullying is and its impact

(e) Implementation of education and prevention strategies (including awareness raising measures) that-

- build empathy, respect and resilience in pupils; and
- explicitly address the issues of cyber-bullying and identity-based bullying including in particular, homophobic and transphobic bullying;
- effective supervision and monitoring of pupils;

(f) Effective supervision and monitoring of pupils

(g) Supports for staff

(h) Consistent recording, investigation and follow up of bullying behaviour (including use of established intervention strategies); and

(i) On-going evaluation of the effectiveness of the anti-bullying policy.

3. In accordance with the *Anti-Bullying Procedures for Primary and Post-Primary Schools* bullying is defined as follows:

Bullying is unwanted negative behaviour, verbal, psychological or physical conducted, by an individual or group against another person (or persons) and which is repeated over time.

The following types of bullying behaviour are included in the definition of bullying:

- deliberate exclusion, malicious gossip and other forms of relational bullying,
- cyber-bullying and
- identity-based bullying such as homophobic bullying, racist bullying, bullying based on a person's membership of the Traveller community and bullying of those with disabilities or special educational needs.

Isolated or once-off incidents of intentional negative behaviour, including a once-off offensive or hurtful text message or other private messaging, do not fall within the definition of bullying and should be dealt with, as appropriate, in accordance with the school's code of behaviour.

However, in the context of this policy, placing a once-off offensive or hurtful public message, image or statement on a social network site or other public forum where that message, image or statement can be viewed and/or repeated by other people will be regarded as bullying behaviour.

Negative behaviour that does not meet this definition of bullying will be dealt with in accordance with the school's code of behaviour.

Additional information on different types of bullying is set out in Section 2 of the *Anti-Bullying Procedures for Primary and Post-Primary Schools* and **Appendix 1** of this document.

4. The relevant teacher(s) for investigating and dealing with bullying is/are

- the class teacher,
- the Principal thereafter if required.
- the SET teacher or another teacher may be involved if circumstances warrant it.

5. The education and prevention strategies (including strategies specifically aimed at cyber-bullying, homophobic and transphobic bullying) that will be used by the school are as follows (see Section 6.5 of the *Anti-Bullying Procedures for Primary and Post-Primary Schools*):

Raising the awareness of bullying as a form of unacceptable behaviour by

- The school's anti-bullying policy is discussed with pupils and all parent(s)/guardian(s) are given access to a copy through the school's website or on request.
- The implementation of the Anti-Bullying module of the SPHE programme as it applies during each school year. (Example School and Class rules, Friendship Week etc.)
- Implementing the "Grow in Love" programme throughout the school.
- The "Stay Safe Programme" will be taught in conjunction with the Child Protection Policy.

- Implementing NEPs programmes e.g. Zippy's Friends in Junior Infants, STOP THINK DO programme in Senior Infants, 1<sup>st</sup> Class & 2<sup>nd</sup> Class, Mighty Moe in 1<sup>st</sup> Class & 2<sup>nd</sup> Class. Friends For Life in 5<sup>th</sup> Class.
- Modelling of respectful behaviour and language by teachers and staff.
- Development and displaying of the school's 'Friendship Code' in school hallway and other prominent places around the school environment.
- An annual Friendship week for the school community. (The date for this week to be decided at September Staff meeting).
- Positive reinforcement by teachers in classroom setting (Students of the week, Golden time, spot prizes, stars, stickers etc.)
- Promotion of practises which encourage the involvement of the students in contributing to a safe school environment e.g. buddy system, lunchtime Pals and other student support activities that can help to support pupils and encourage a culture of peer respect and support.
- Rewarding incidents of good and improved behaviour and showing acts of kindness at class level and whole-school.
- Encouraging students to look out for each other and to be responsible for their own behaviour.
- Supervision and monitoring of classrooms, corridors, school grounds, school tours and extra-curricular activities. Non-teaching and ancillary staff are encouraged to be vigilant and report issues to relevant teachers. All staff are required to be vigilant on yard duty in watching out for signs of bullying and to report any suspicion of bullying they may have to the relevant teacher. Record all incidences- monitor repeat offenders.
- Immediate affirmation of children who report incidents of bullying which they have witnessed.
- Each class to have a set of class rules which compliment the school's Code of Behaviour.
- A "communication box" is placed in all classes from 2nd class upwards.
- Ensure supervision at all times in monitoring student use of communication technology within the school.
- All teachers to do a lesson on internet safety- coincide with Internet Safety Day.

#### Creation of a culture of "telling"

Teachers should repeatedly reinforce the message that if anyone is the victim of bullying behaviour, they should not retaliate in any way, but they should tell an adult. Bystanders can be the key to resolving bullying. It is made clear to all pupils that when they report incidents of bullying they are not considered to be telling tales but are behaving responsibly.

**6.** The school's procedures for investigation, follow-up and recording of bullying behaviour and the established intervention strategies used by the school for dealing with cases of bullying behaviour are as follows (see Section 6.8 of the Anti-Bullying Procedures for Primary and Post-Primary Schools):

## Procedures for Investigating and Dealing with Bullying

The primary aim in investigating and dealing with bullying is to resolve any issues and to restore, as far as is practicable, the relationships of the parties involved (rather than to apportion blame);

The school's procedures must be consistent with the following approach.

Every effort will be made to ensure that all involved (including pupils, parent(s)/guardian(s)) understand this approach from the outset.

### Reporting bullying behaviour

- Any pupil or parent(s)/guardian(s) may bring a bullying incident to any teacher in the school.
- A suspicion of bullying should be raised with the relevant class teacher first and then if necessary with the Principal.
- Parents are encouraged to make an appointment to speak with relevant class teacher if they suspect that their child is being bullied.
- All reports, including anonymous reports of bullying, will be investigated and dealt with by the relevant teacher.
- Teaching and non-teaching staff such as secretaries, special needs assistants (SNAs), caretakers, cleaners must report any incidents of bullying behaviour witnessed by them, or mentioned to them, to the relevant teacher;

### Investigating and dealing with incidents:

In investigating and dealing with bullying, the (relevant)teacher will exercise his/her **professional judgement** to determine whether bullying has occurred and how best the situation might be resolved;

- Parent(s)/guardian(s) and pupils are required to co-operate with any investigation and assist the school in resolving any issues and restoring, as far as is practicable, the relationships of the parties involved as quickly as possible;
- Teachers should take a calm, unemotional problem-solving approach.
- Where possible incidents should be investigated outside the classroom situation to ensure the privacy of all involved;
- All interviews should be conducted with sensitivity and with due regard to the rights of all pupils concerned. Pupils who are not directly involved can also provide very useful information in this way;
- When analysing incidents of bullying behaviour, the relevant teacher should seek answers to questions of what, where, when, who and how. This should be done in a calm manner, setting an example in dealing effectively with a conflict in a non-aggressive manner;
- Questions to be asked when responding to challenging behaviour include:
  - What happened?
  - What were you thinking at the time?
  - What have your thoughts been since?
  - Who has been affected by what you did?
  - In what way have they been affected?
  - What do you think needs to happen next?
- Questions to be asked when responding to those harmed include:
  - What happened?
  - What were you thinking at the time?
  - What have your thoughts been since?
  - How has this affected you / others?
  - What has been the hardest thing for you?
- If a group is involved, each member should be interviewed individually at first. Thereafter,

all those involved should be met as a group. At the group meeting, each member should be asked for his/her account of what happened to ensure that everyone in the group is clear about each other's statements;

- Each member of a group should be supported through the possible pressures that may face them from the other members of the group after the interview by the teacher;

It may also be appropriate or helpful to ask those involved to write down their account of the incident(s)

- In cases where it has been determined by the relevant teacher that bullying behaviour has occurred, the parent(s)/guardian(s) of the parties involved should be contacted at an early stage to inform them of the matter and explain the actions being taken (by reference to the school policy). The school should give parent(s)/guardian(s) an opportunity of discussing ways in which they can reinforce or support the actions being taken by the school and the supports provided to the pupils;
- Where the relevant teacher has determined that a pupil has been engaged in bullying behaviour, it should be made clear to him/her how he/she is in breach of the school's anti-bullying policy and efforts should be made to try to get him/her to see the situation from the perspective of the pupil being bullied;
- It must also be made clear to all involved (each set of pupils and parent(s)/guardian(s)) that in any situation where disciplinary sanctions are required, this is a private matter between the pupil being disciplined, his or her parent(s)/guardian(s) and the school;

### **Follow up and recording**

- In determining whether a bullying case has been adequately and appropriately addressed the relevant teacher must, as part of his/her **professional judgement**, take the following factors into account:
  - Whether the bullying behaviour has ceased;
  - Whether any issues between the parties have been resolved as far as is practicable;
  - Whether the relationships between the parties have been restored as far as is practicable;
  - Any feedback received from the parties involved, their parent(s)/guardian(s) or the school Principal or Deputy Principal
- It may be appropriate to have follow-up meetings with the relevant parties involved should be arranged separately with a view to possibly bringing them together at a later date if the pupil who has been bullied is ready and agreeable.
- Where a parent(s)/guardian(s) is not satisfied that the school has dealt with a bullying case in accordance with these procedures, the parent(s)/guardian(s) must be referred, as appropriate, to the school's complaints procedures.
- In the event that a parent(s)/guardian(s) has exhausted the school's complaints procedures and is still not satisfied, the school must advise the parent(s)/guardian(s) of their right to make a complaint to the Ombudsman for Children.

### **Recording of bullying behaviour**

It is imperative that all recording of bullying incidents must be done in an objective and factual manner.

The school's procedures for noting and reporting bullying behaviour are as follows:

#### **Informal- pre-determination that bullying has occurred**

- Any incidents witnessed by staff or notified to them will be reported to the relevant

teacher,

- All incidents and all reports, including anonymous reports of bullying must be investigated and dealt with by the relevant teacher,
- The relevant teacher must inform the Principal of all incidents being investigated.

#### **Formal Stage 1-determination that bullying has occurred**

- If it is established by the relevant teacher that bullying has occurred, the relevant teacher must keep appropriate written records which will assist his/her efforts to resolve the issues and restore, as far as is practicable, the relationships of the parties involved.
- The school in consultation with the relevant teacher/s should develop a protocol for the storage of all records retained by the relevant teacher.

#### **Formal Stage 2**

If it is established by the relevant teacher that bullying has occurred, the relevant teacher must keep appropriate written records which will assist his/her efforts to resolve the issues and restore, as far as is practicable, the relationships of the parties involved.

The relevant teacher must use the recording template at **Appendix 2** to record the bullying behaviour in the following circumstances:

a) in cases where he/she considers that the bullying behaviour has not been adequately and appropriately addressed within 20 school days after he/she has determined that bullying behaviour occurred; and

b) Where the school has decided as part of its anti-bullying policy that in certain circumstances bullying behaviour must be recorded and reported immediately to the Principal or Deputy Principal as applicable.

\* When the recording template Appendix 2 is used, it must be retained by the relevant teacher in question and a copy maintained by the Principal.

\* The relevant teacher may consult with the Principal or Deputy Principal at any stage in relation to a case.

**7. The school's programme of support for working with pupils affected by bullying is as follows :**

(see Section 6.8.16 of the Anti-Bullying Procedures for Primary and Post-Primary Schools):

- All in-school supports and opportunities will be provided for the pupils affected by bullying to participate in activities designed to raise their self-esteem, to develop friendships and social skills and build resilience e.g.

Circle Time activities,

SPHE Programmes e.g. Ginger Bear, Walk Tall, Stand Up, Stop, Think, Do, Get Up. Stand Up.

NEPS – Mighty Moe, Zippy's Friends, Friends For Life etc.

Transition to Post Primary School programmes

Barnardo's Roots of Empathy programme

- If pupils require counselling or further supports the school will endeavour to liaise with the appropriate agencies to organise same. This may be for the pupil affected by bullying or

involved in the bullying behaviour.

- Pupils should understand that there are no innocent bystanders and that all incidents of bullying behaviour must be reported to a teacher.

#### **8. Supervision and Monitoring of Pupils**

The Board of Management confirms that appropriate supervision and monitoring policies and Practices are in place to both prevent and deal with bullying behaviour and to facilitate early intervention where possible.

### **9. Prevention of Harassment**

The Board of Management confirms that the school will, in accordance with its obligations under equality legislation, take all such steps that are reasonably practicable to prevent the sexual harassment of pupils or staff or the harassment of pupils or staff on any of the nine grounds specified i.e. gender including transgender, civil status, family status, sexual orientation, religion, age, disability, race and membership of the Traveller community.

### **10. Amendment to the Anti Bullying Policy due to Coronavirus**

The well being and safety of the pupils and staff of Waterpark National School is of the utmost importance during the current Coronavirus pandemic. Our Covid 19 Response Plan along with our risk Assessment and checklists, form an integral part of our Health and Safety, Code of Behaviour and Anti Bullying Policy.

Any pupil breaking rules/procedures put in place in our Covid Response Plan will be dealt with according to our Code of Behaviour eg. verbal warning, sanction etc. will be issued. Likewise warnings/sanctions will apply for comments or remarks that are made to or about other pupils. Any non-verbal behaviour towards other pupils, whether intentional or otherwise, will be considered as incidents that will be dealt with according to our Code of Behaviour with verbal warning and sanctions as outlined in the policy.

Anyone deliberately spitting or coughing in another person's face will face more serious sanctions eg suspension as this would be considered assault.

**11.** This policy has been made available to school personnel, published on the school website and provided to the Parents' Association. A copy of this policy will be made available to the Department and the patron if requested.

**12.** This policy and its implementation will be reviewed by the Board of Management once in every school year. Written notification that the review has been completed will be published on the school website and is readily accessible to parents and pupils on request. A copy is provided to the Parents' Association and a record of the review and its outcome will be made available, if requested, to the patron and the Department.

### **13. Review**

The most recent review of this policy took place in April 2021.

Signed: Fr. Thomas Rogers P.P, Acting Chairperson

Date: This policy was reviewed and ratified by the Board of Management on  
April 28<sup>th</sup> 2021.

## Appendix 3

The following are some practical tips for immediate actions that can be taken to help build a positive school culture and climate and to help prevent and tackle bullying behaviour.

- Model respectful behaviour to all members of the school community at all times.
- Explicitly teach pupils what respectful language and respectful behaviour looks like, acts like, sounds like and feels like in class and around the school.
- Display key respect messages in classrooms, in assembly areas and around the school. Involve pupils in the development of these messages.
- Catch them being good - notice and acknowledge desired respectful behaviour by providing positive attention.
- Consistently tackle the use of discriminatory and derogatory language in the school – this includes homophobic and racist language and language that is belittling of pupils with a disability or SEN.
- Give constructive feedback to pupils when respectful behaviour and respectful language are absent.
- Have a system of encouragement and rewards to promote desired behaviour and compliance with the school rules and routines.
- Explicitly teach pupils about the appropriate use of social media.
- Positively encourage pupils to comply with the school rules on mobile phone and internet use. Follow up and follow through with pupils who ignore the rules.
- Actively involve parents and/or the Parents' Association in awareness raising campaigns around social media.
- Actively promote the right of every member of the school community to be safe and secure in school.
- Highlight and explicitly teach school rules in pupil friendly language in the classroom and in common areas.
- All staff can actively watch out for signs of bullying behaviour.
- Ensure there is adequate playground/school yard/outdoor supervision.
- School staff can get pupils to help them to identify bullying “hot spots” and “hot times” for bullying in the school.
  - Hot spots tend to be in the playground/school yard/outdoor areas, changing rooms, corridors and other areas of unstructured supervision.
  - Hot times again tend to be times where there is less structured supervision such as when pupils are in the playground/school yard or moving classrooms.
- Support the establishment and work of student councils.
